## DORMITORY APPROPRIATION.

Asked for by State Normal School—Legislative Hearing Today.

There is to be a legislative hearing today at Hartford relative to the appropriation of \$100,000 for a dormitory for the state normal school in this city. Principal Burr not only has the backing of the board of education in this project of which he is the leading spirit, but the movement has the hearty endorsement of Willimantic citizens. The normal school is one of Willimantic's finest educational assets under Principal Burr's able administration. The growth of the school, its present needs and future requirements make the proposed new dormitory a necessity. It is understood that the principals of the other normal schools of the state concede to the Willimantic school the first right to claim an appropriation for a dormitory building and it is hoped the committee on appropriations will give this requisition on the state treasury the right of way over many less important demands.

## City Not to Go Iceless This Summer.

The fact that W. H. Smith, a commission merchant, has announced his intention to supply Willimantic with ice this summer, seems to have poured oil on the troubled waters. Business men credit Mr. Smith with having the executive and financial ability to conduct the ice business on an equitable basis and congratulate Willimantic that a strong local business man has taken the reins of the shifting ice horse. Mr. Smith, who has purchased L. N. Ayer's ice crop, is reported to have other ice resources and it may be the city's supply will be sold to Willimantic's new ice man. Leading business men think outside concerns will look favorably on Willimantic as a profitable ice market and that there will be, in consequence of competition, an adequate supply at a reasonable price.

## Eleventh Hour Haste to Pay Taxes.

Monday was the last day of grace for taxpayers to render unto Caesar his tax tribute and Town Tax Collector W. H. Costello and his wife who is assisting him, had a very busy day. A large number of the smaller taxes were paid. The meeting Willimantic and Electric Light company and the Willimantic-Rockville company, whose interests in this city are in common, paid the collector tax checks amounting to \$1,269.50.

## City Payroll \$494.33.
